

Ready for a Quick Health Checkup that Doesn't Hurt?

We're HARC, the newly formed Healthcare Assessment Resource Center for Eastern Riverside County.

Our mission: To gather helpful – and strictly confidential -- information about the health of our communities so that we can improve overall wellness and quality of life.

You may be receiving a phone call sometime soon from one of our representatives, asking a few simple health-related questions. We promise to be brief. So, if you would, please take a few minutes and share your thoughts with us.

You'll feel better. And, thanks to your feedback, so will the generations that follow.
