Annual Meeting Minutes from May 2, 2008 approved as submitted

Treasurer's Report, Phil Meyer: \$1700.00 cash, \$3400. CDs. \$2300. in expenses. Balance of \$2700.00. We have 180 homeowners, 43 contributions which is a 24% contribution rate. Membership contributions are tax deductible.

Disaster Preparedness, Steve Smith, CERT Captain, The Movie Colony. We need to get more neighbors to get the CERT training. We had a sign in sheet for volunteers. We also need to get more info on all the people in the Movie Colony and their occupations or skills in case of a disaster.

Street Sign Blades, Mary Lou Feenstra: Our neighborhood was chosen to try the toppers on Movie Colony street Signs. Concerns are should they be larger, should they be parallel to the top directional sign, if we do 2 sided signs with a new bracket then they will be more expensive than we had be told initially. We may have to budget for less signage.

Real Estate Review, Barbara Keane: Our neighbor has very few NODs or REOs. Stats show we are healthier than some.

Website Committee Report, Kurt Wendelborg: Needs a facelift. We should do a questionnaire to see what people want to see on the website. Kurt has also been trying to place the neighborhood watch signs in the best location.
